

# Swimming Safety Tips

*Teach children to swim responsibly.*

*Keep toys away from the pool when not in use.*

*Always supervise children when in or near a pool.*

*Store chemicals in a safe location, out of the reach of children.*

*Make sure a fence or other barrier is around the pool.*

*Keep all electrical appliances away from the pool.*

*Never run on the pool deck.*

*For above ground pools, keep ladders locked or remove from the pool when not in use.*
